PERCULATIONS.

Chew Jackson's Best Sweet Navy Tobacco. Sunday was a bright and beautiful day, but yesterday it was chilly and winterish again.

The trial of the Shipes and Queen, for the murder of young Bonham, comes up at the session of the Anderson county Circuit Court, which meets in Clinton next Monday.

A party of 20 people in six covered wagons, the families of S. B. James and Thos. Elliott, from the upper end of Monroe county, and John Elliott and family, from McMinn county, passed through Rhea Springs last week, en route to Illinois by overland, says the News.

The Rhea Springs News, whose proprietor, T. T. McWhirter, was Secretary and Treasurer of the recent Fair Association, is hauling over the coals some of the newspaper correspondents who pronounced the Fair a fraud. "A correspondent in a Kingston paper," it says, "makes assertions which he will be called upon to prove." This was R. W. Walker in the East Tennesseean.

The overcoat begins to be as useful as it is ornamental.

A few more days like this and the Memphis refugees may return home without any fears of being attacked.

A fire was discovered between 10 and 11 o'clock yesterday afternoon, kindling in the shingle roof of a shed addition to the Central House, on Gay street, which created considerable excitement, but it was extinguished with a few buckets of water, and the heroic efforts of those who gathered first. It was fortunate that the discovery was made so soon, for it would have been an ugly blaze. It is supposed to have caught from a pipe which was near by entering through the roof. The fire department was out promptly, but not needed.

Icebergs of considerable size were to be seen swinging from mill races and other places yesterday morning.

We are sorry to learn of the continued affliction in the family of Mr. C. M. Lyon, one of the oldest types in the city. His oldest son died of typhoid fever last week. Now Mrs. Lyon and her daughter, Miss Lena, are both down with the same disease, as we are informed. There is a large family, and if the disease should go through it would be a fearful affliction. The family have our profoundest sympathy, and it is hoped that neighbors and friends will not be slack in attending them.

Personal.

Rev. Geo. White, D. D., the eminent Episcopal divine of Memphis, preached an able and eloquent sermon Sunday at St. John's Church, and delivered an interesting lecture to the Sunday school children in the afternoon. He and family, who have been stopping over at the Atkin House a day or so, left on their return home on yesterday's train.

Col. Sam. Tate and family, of Little Rock, Ark., who have spent most of the summer in our city, and are now at the Atkin House, will leave for home to-day.

Mr. S. T. Logan went up yesterday evening to Jonesboro on legal business.

Mr. M. M. Kline, of Nashville, was in the city and made us a call yesterday. He is of the firm who have just completed a business directory in Chattanooga. He came here prospecting, and expects to get up a directory in our city soon.

Ed. Baxter, Esq., a prominent member of the legal fraternity of Nashville, is in the city attending Supreme Court, stopping at the Lamar House.

Rev. Dr. T. C. Teasdale has returned home from an extended trip through Southern States, engaged very successfully in the revival work.

High Commendation.

Gentlemen: This is to certify that I have examined, analyzed and tested your Dr. Price's Special Flavoring Extracts, and find the same strong, fine, made of good material, and well put up in bottles of full measure. Your fruit coloring is free from any deleterious substance. Therefore, I gladly commend the above named products of yours for family use.

Respectfully,

PROF. M. DELAFONTAINE.

Notes from Oliver Springs.

OLIVER SPRINGS, TENN., NOV. 1. MR. EDITOR: Our school closed here this week very abruptly. On Tuesday night the teacher and scholars left as usual, but when they came to school Wednesday morning, there was no school house, no books, etc. The building had burned down during the night, supposed to have caught from the fireplace. Hope now we will have a new and better one.

People are now very busy getting their corn, potatoes, etc. secured for the winter. Wheat is looking fine. We are sorry to say one of our best citizens, Maj. J. H. Hannah, is now very low with lung disease; has been down some two weeks. All are anxious to hear of his recovery.

Respectfully,

E. A. B.

At Coal Creek, East Tenn., October 27th, 1879, little John McCannon, only son of Dr. C. E. and Mrs. S. M. Campbell, aged 8 years.

R. A. STERLING.

"Pinafore" and "Chimes."

Yesterday afternoon the good ship "Pinafore" sailed into the matinee, witnessed by a large and admiring crowd. Captained by Kendall's "Corcoran," and under the supervision of Buckley's "Sir Joseph," and his sisters, cousins and aunts, with Fay's "Ralph" in the rigging, Alice Vane's "Josephine" in the cabin, Isabel Vane's "Little Buttercup" on the main deck, and with Crane's "Dick Deadeye" to keep the whole crew stirred up, it could not be anything but a triumphant entry.

Last night there was given a double bill, the first act of "Pinafore" and the first two acts of the "Bells of Corneville." This presented an entertainment well worth listening to. The actors and actresses (we beg the ladies' pardon) the actresses and the actors, all sustained the reputation they have hitherto gained in Knoxville. Fay's "Mignonette" proved to be the feature of the "Chimes." She is bewitching in this character. Her "just look at that" can only be described as exquisite, with much emphasis on the second syllable. Alice Vane was suffering from the effects of a bad cold, and consequently not in very good trim. We have said nothing about the pianist and cornetist with this company, but it has not been because they were not deserving. Mr. Speck is a fine performer and a song writer of some celebrity. It is seldom one hears so pure and sweet a tone as comes from Mr. Duffy's horn.

The Worthy Chief of the I. O. G. T.

The Alamo, Crockett county, Sentinel has the following: Hon. W. F. Poston represented Hickman Lodge, of this place, in the Grand Lodge of Good Templars at Nashville last week. Mr. Poston was paid a high compliment by the Grand Lodge selecting him as the G. W. C. T. of the State, and also to represent them in the Right Worthy Grand Lodge of the world in May next at New York. Mr. Poston, it will be remembered, is the valiant author of the famous and renowned local option bill in the recent session of the Legislature, which was defeated by only a majority of one. He is one of the rising men of the State, whose record and standing in his legislative work is his work in the temperance field has been persevering and productive of much good, and now that he is the executive of that body, we hope, ere long, to see his desires realized and his local option a success.

Knoxville's Business.

A Knoxville correspondent of Bristol's new paper, the Reporter, has the following to say about our business prospects, etc.:

Knoxville merchants report business as booming. The city continues to build and improve; the splendid new Hattie Hotel on the corner of Gay and Clinch streets is nearing completion. Knoxville's merchant prince, Mr. Jas. D. Cowan, has built a magnificent residence in the southern suburbs of the city, costing about \$100,000. It is a palatial pile and is no doubt the finest residence in the South. Work is progressing on the new Waterworks and also on the new Gas Works. A movement is on foot to build a railroad from Knoxville to Emory Gap, to connect with the Cincinnati Southern Railroad, which, if done, will vastly increase the mercantile and manufacturing prosperity of the mountain city.

Oysters! Oysters!! Oysters!!! Fresh and good, by the Can, Quart or Gallon, at PETER KERN'S.

The North Pole and Equator.

Are not more widely distinct than the standard tent, stimulant and alterative, Hostetter's Stomach Bitters, and the cheap and fiery local bitters which unscrupulous vendors foist upon the unwary as medicated preparations with remedial properties. The latter are usually composed in the main of half rectified alcoholic extracts, with some wretched drug combined to disguise their real flavor and are perfectly ruinous to the coats of the stomach. Hostetter's Bitters, on the contrary, has for its basis choice spirits of absolute purity, and this is modified and combined with medicinal extracts of rare excellence and botanical origin, which both invigorate and regulate the bowels, stomach and liver. They effect a radical change in the disordered physical economy, which is manifested by a speedy improvement in the general health.

Truth and Sobriety.

What is the best family medicine in the world to regulate the bowels, purify the blood, remove costiveness and biliousness, aid digestion, and stimulate the whole system? Truth and sobriety compels us to answer, Hop Bitters, being pure, perfect and harmless. See another column.

Great Merit.

All the fairs give the first premiums and special awards of great merit to Hop Bitters as the purest and best family medicine, and we most heartily approve of the awards, for we know they deserve it. They are now on exhibition at the State Fairs, and we advise all to test them! See another column.
